TERMS AND CONDITIONS

Copyright Notice

The Publisher shall publish and distribute the Article with the appropriate copyright notice.

Ethics and Disclosure

I confirm that I have reviewed and complied with the relevant Authors' Instructions and agree to the Publisher's policies, including Ethics in Publishing policy and Conflicts of Interest disclosure. In particular, I fully understand the duties of the Publisher and of the Editors and confirm that I have complied with the duties of the authors as here below noted:

- The Article I have submitted to the conference for review is original, has been written by the stated authors and has not been published elsewhere.
- The Article was not submitted elsewhere, while under review by the International Program Committee of this conference and will not be submitted to any other conference or journal.
- The Article and the Supplemental Materials contain no libelous or other unlawful statements and do not contain any materials that violate any personal or proprietary rights of any other person or entity.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Article or the Supplemental Materials.
- Except as expressly set out in this License Agreement, the Article is not subject to any prior rights or licenses and, if my or any of my co-authors' institution has any policy that might restrict my ability to grant exclusive rights under this License Agreement, a written waiver of that policy has been obtained.
- If I am using any personal details or images of patients, research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information.
- Any software contained in the Supplemental Materials is free from viruses, contaminants or worms.
- If the Article or any of the Supplemental Materials were prepared jointly with other authors, I have informed the co-author(s) of the terms of this License Agreement and that I am signing on their behalf as their agent, and I am authorized to do so.

Governing Law and Jurisdiction

This License Agreement will be governed by and construed in accordance with the laws of the country of the Publisher, without regard to conflict of law principles, and the parties irrevocably consent to the exclusive jurisdiction of the courts of the country of the Publisher.

License of Publishing Rights

I hereby grant to the Publisher an exclusive publishing and distribution license in the manuscript identified above and any tables, illustrations or other material submitted for publication as part of the Article in all forms and media (whether now known or later developed), throughout the world, in all languages, for the full term of the copyright, effective when the Article is accepted for publication. This license includes the right to enforce the rights granted by this license against third parties and to sublicense such rights.

Reversion of rights

Articles may sometimes be accepted for publication but later rejected in the publication process, even in some cases after public posting, in which case all rights will revert to the author.

Revisions and addenda

I understand that no revisions, additional terms or addenda to this Agreement can be accepted without the Publisher's express written consent. I understand that this Agreement supersedes any previous agreements I have entered into with the Publisher in relation to the Article from the date hereof.

Scholarly communication rights

I understand that I retain the copyright in the Article and that no rights in patents, trademarks or other intellectual property rights are transferred to the Publisher. As the author of the Article, I understand that I shall have: (i) the same rights to reuse the Article as those allowed to third party users of the Article under the CC-BY-NC-ND License, as well as (ii) the right to use the Article in a subsequent compilation of my works or to extend the Article to book length form, to include the Article in a thesis or dissertation, or otherwise to use or re-use portions or excerpts in other works, for both commercial and non-commercial purposes. Except for such uses, I understand that the license of publishing rights I have granted to the Publisher gives the Publisher the exclusive right to make or sub-license commercial use.

Supplemental Materials

With respect to Supplemental Materials that I wish to make accessible through a link in the Article, the Publisher shall be entitled to publish, post, reformat, index, archive, make available and link to such Supplemental Materials on a non-exclusive basis in all forms and media (whether now known or later developed), and permit others to do so. "Supplemental Materials" shall mean additional materials that are not an intrinsic part of the Article, including but not limited to experimental data, e-components, encodings and software, and enhanced graphical, illustrative, video and audio material.

User rights

The Publisher will apply the *Creative Commons Attribution-Noncommercial-NoDerivative Works 4.0 International License* (CC-BY-NC-ND) to the Article where it publishes the Article as part of the conference proceedings on an Open Access basis. The CC-BY-NC-ND license allows users to copy and distribute the Article, provided this is not done for commercial purposes and further does not permit distribution of the Article if it is changed or edited in any way, and provided the user gives appropriate credit (with a link to the formal publication through the relevant DOI), provides a link to the license, and that the licensor is not represented as endorsing the use made of the work. The full details are available at <https://creativecommons.org/licenses/by-nc-nd/4.0/>.
