## SummerSim 2011—Keynote Speaker

### Deadlines Extended to March 18 2011

## Home page

[SummerSim 2011](#)

Come to Hague, Netherlands for SCSC 2011 to witness the 43rd edition of this leading conference in the field of Modeling and Simulation. SCSC 2011 features varied tutorials, tracks and workshops.

The conference focuses on modeling and simulation, tools, theory, methodologies and applications, providing a forum the latest R&D results in academia and industry.

In parallel with technical presentations, companies and research groups will be exhibiting their latest products.

Further increasing SCSC's application focus, SCSC10 is adding to the conference program a set of with panels, hot topic sessions and invited industrial sessions.

**A PDF version of the Call for Papers can be [found here](#).**

## Tracks

### Modeling and Simulation of Dynamic Structure Systems

Chairs: [Fernando Barros](#), *University of Coimbra, Portugal*; [Gabriel Wainer](#), *Carleton University, Canada*

### Modelling and Simulation based Design

Chairs: [Hiren D. Patel](#), *University of Waterloo, Waterloo, Ontario, Canada*  
[Hans Vangheluwe](#), *McGill University, Canada and University of Antwerp, Belgium*

### Computer Architecture Simulation (CAS)

Chairs: [José L. Risco-Martín](#), *Complutense University of Madrid, Madrid, Spain*; [J. Manuel Colmenar](#) *C.E.S. Felipe II - Complutense University of Madrid, Madrid, Spain*

### Agent-Directed Simulation

Chairs: [Dr. Tuncer I. Ören](#), *University of Ottawa Ottawa, ON, Canada*; [Dr. Levent Yilmaz](#), *Computer Science and Software Engineering Auburn University, Auburn, AL, USA*

### Computer Graphics for Simulation

Chair: [John F. Richardson](#), *SPAWAR Systems Center PACIFIC, San Diego, California*

### Simulation for Transportation

Chair: [Gianfranco Fancello](#), *Simulation Team, University of Cagliari, Cagliari, Italy*

### Emergency Simulation

Chair: [Francesco Longo](#), *MSC-LES, University of Calabria, Rende, Italy*

### M&S for Defense & Security

Chair: [Andreas Tolk](#), *Old Dominion University, Norfolk, VA, USA*

### Simulation of Complex Social Systems (SiCoSSys 2011)

Chair: [José I. Santos](#), [Luis R. Izquierdo](#), [José M. Galán](#), *INSISOC – University of Burgos, Spain*

## Author's Instructions

The conference committee will accept three types of papers (as listed below) submitted as a PDF file by using the [conference submission system](#). Final version of all the papers MUST COMPLY with the [SCS](#) conference format. All the submitted papers will be peer reviewed with respect to their quality, originality and relevance.

The authors of the accepted paper MUST register in advance for inclusion of their paper in the conference proceedings.

1. Full manuscript: 8 pages in final conference format. In addition to publication in the conference proceedings, they will be considered for best paper award and for possible inclusion in a Special Issue of the Simulation Journal (SCS). Full papers will be published both in hard copy and CD-ROM.
2. Work in Progress: Short papers up to 6 pages in final conference format
3. Short Papers: Papers with industrial focus, military or government applications, and work-in-progress in abstract or short paper format.

Each paper must include the title, authors, affiliations, addresses, references and abstract for proper positioning in the conference. Only original papers, written in English, which have not been published previously elsewhere, will be accepted. Please indicate which conference topic is most appropriate.

Please note that in case of acceptance, your final manuscript will need to be submitted electronically as a PDF file to the conference website by the deadline to guarantee inclusion in the conference CD and final program. Authors of accepted papers are expected to attend the conference, present their work to their peers, transfer copyright, and pay a conference registration fee at the time their camera-ready paper is submitted. All papers will be included in the conference proceedings and archived in both the [SCS digital library](#) and the [ACM Digital Library](#); Full Papers will be also printed in hard copy.

For further information please contact [scs@scs.org](mailto:scs@scs.org)

## Venue

The Summer Computer Simulation Conference (part of the Summer Simulation Multiconference) will be held at the [World Forum](#) in [The Hague](#) ([maps on google](#))

The Hague is a city of international importance with many faces, home to many different cultures. Once little more than a country house near a pond, The Hague has developed into a city of international character and importance, a never-ending story: a little bit of history is added every day.

For four centuries The Hague has been a multinational city. Being the seat of the governing States General and the Republic's princes, it attracted foreign diplomats, soldiers, artists and craftsmen as long ago as the 16th century. Today people from all over the world come to sample the atmosphere of the city.
