### PROCEEDINGS AND INDEXING

I3M 2026 articles will be published as Open Access in a dedicated issue of Elsevier Procedia Computer Science (CiteScore: 4.0), distributed under the terms and conditions of the Creative Commons Attribution (CC BY-NC-ND) license. I3M proceedings past editions (including EMSS, HMS, MAS, IMAACA, DHSS, IWISH, SESDE, FoodOPS) are indexed by Scopus.

## Opportunities

### POST-CONFERENCE PUBLICATION

The IPC of I3M 2026 will screen presented papers right after the conference with the purpose of recommending the authors to consider significantly extended versions in one of the **I3M 2026 International Journals' Special Issues**.

Full details about the I3M special issues is available at the conference website

## ABOUT THE EVENT

The 2026 International Multidisciplinary Modeling & Simulation Multiconference (I3M) will be a platform for knowledge exchange, the review and discussion of theoretical advances, research results, and industrial experiences, among scientists, researchers, decision makers, practitioners and students dealing with the topics under the umbrella of multidisciplinary modeling & simulation.

I3M 2026 will renovate the opportunity to have an International Multiconference covering many different topics related to Modeling & Simulation in a sharp way and providing an ideal opportunity to meet together.

The 14th International Workshop on Simulation for Energy, Sustainable Development & Environment (**SESDE**)

The 19th International Conference on Integrated Modeling and Analysis in Autonomous Control and Cognitive Agents (**IMAACA**)

The 12th International Food & Operations Simulation Workshop (**FoodOPS**)

Modeling & Simulation Network Workshop (**M&S Net Workshop**)

## VENUE

I3M 2026 will be held in Genova, Italy

## CONFERENCES & WORKSHOPS

The 38th International Conference of European Modelling & Simulation Symposium (**EMSS**)

The 28th International Conference on Harbour, Maritime & Multimodal Logistics M&S (**HMS**)

The 25th International Conference on Modeling & Applied Simulation (**MAS**)

The 16th International Defense & Homeland Security Simulation Workshop (**DHSS**)

The 15th International Workshop on Innovative Simulation for Health Care (**IWISH**)

## Author's instructions PAPER SUBMISSION

Guidelines for the preparation of manuscripts and instructions for submission are provided on the conference website: <https://www.msc-les.org/i3m2026/call-for-papers/>

All manuscripts must be submitted electronically through the Conference Manuscript Management System.

All papers will be accepted with the understanding that they will be presented at the conference. At least one author of each accepted paper will be required to register before uploading the final version.
